Nûby

Product Catalog 2026

welcome!

Since the 1970's Luv N' Care, LTD. has been dedicated to providing high quality, innovative products that are inspired by nature and make the lives of babies and parents easier, simpler, and more fun. Our expertise covers all the importnt and exciting stages that parents encounter when their baby develops and grows, helping them to make important decisions along the journey of parenting.

The Nûby brand covers feeding, weaning, soothing, play, bath, and nursery and boasts patented innovation in all of its categories.

Our significant financial investment in research, design, innovation and intellectual property protection keeps the brand at the forefront of technology and design - ensuring it is the fastest growing baby brand worldwide.

Nûby is distributed in over 155 countries around the world by our carefully selected partners and distributors and has been loved by millions of babies and families worldwide for the last 40 years.

At Nûby we strive to make the lives of parents and children easy, simple and fun so they can enjoy the most wonderful experience of growing up. Parents can feel safe in teh knowledge that our Nûby products have been developed, researched and manufactured to the highest standards.
